October 1st, 2014

SPECIAL EDITION: VOLUNTEER TODAY!

As most of us know already, David S and Warren C-- after leading the club for two prosperous and

transformative years -- have both stepped down from their respective roles as President and Vice President of Colorado Frontrunners. These two extraordinarily vigorous and generous gentlemen have given boundless time and energy to the club and along the way (and with the excellent assistance of Brian E, Secretary, and Greg G, Treasurer) have reshaped its funding model, developed its membership platform and revamped and relaunched its website. David and Warren, Colorado Frontrunners thank you with all our hearts.

Now, Runners and Walkers, we have two vacant offices to fill, as well as several committees and working groups to staff with volunteers. That spells opportunity to get yourself involved!

Your club needs you!

According to our bylaws, the club is required to have a full executive board, consisting of a President, Vice President, in addition to a Secretary and Treasurer. Thus, it's somewhat critical to fill the former two offices ASAP. You'll find more detailed descriptions of them and all the roles and committees on our website, here: <http://www.coloradofrontrunners.org/#!/member-page/c12ys>

However, by way of thumbnails:

President generally acts as the chief administrator of the club, presides at the general membership meetings, and represents the club to International Frontrunners and to the world, and gets lots of help and support from the rest of the executive board and from committees. David Stuiber will continue to host the Denver Saturday run & walk.

Vice President generally helps out the President. Also the VP assumes the duties of the President when the President is no longer willing or able to serve.

Furthermore, if high office doesn't appeal to you, please consider chairing or contributing to the following committees:

- Website & Social Media Coordinator
- Membership & Fundraising Coordinator
- Outreach Coordinator

Again, more details about each of the committees can be found at the link provided above. If you're interested in volunteering, or tantalized but need more information, please contact Warren or Brian

PS: Weekly Group Runs & Walks

The Denver/Saturday and Boulder/Sunday Runs & Walks will follow their usual routines. Evening trail runs have been discontinued for the remainder of 2014, due to seasonal darkness.
